Letter of Linkage / Collaboration

A Collaboration for academic research Programme between Department of Physics A.T.S.P. Mandal's Adv. B. D. Hambarde Mahavidyalya Ashti, Dist. Beed and Department of Physics S.S.P. Mandal's Bhagwan Mahavidyalaya, Ashti, Dist. Beed.

We are undersigned agree to implement above collaboration for the period of five years from 1-07-2019 To 30-06-2025

P.T.O.

Objectives of the said collaboration are as follows:-

- 1) Promotion of research activities.
- 2) Exchange of book and other study material (Soft & Hard)
- 3) Organization of interactive group discussion.
- 4) Faculty exchange on special occasions.

Department of Physics

Academic year 2020-21

Department of Physics is going to organize national webinar on "Recent Trends in Characterization of material Technique" on Friday 12/03/2021.

Recently the massive Attraction of material science in research field and is important in our life. Material science provides a lot of research for scientist, resurchers, industries, academician and other professionals. So our Institute is taking a small Initiative to organize this webinar.

We are going to invite all students, teachers and research scholars to participate in this webinar.

Resource Persons-

1) Dr. Mrs. P. P. Pawar

Report

“Recent Trends in Advanced Material Characterization”

A One day national webinar on “Recent Trends in Advanced Material Characterization” was organized in Adv.B.D. Hambarde Mahavidyalaya Ashti as a joint venture of Adv. B. D. Hambarde Mahavidyalaya and Bhagwan Mahavidyalaya. Delegates and students have already registered their names online. A link of Google meet was provided to register participant at 10:00 AM on 12th March 2021. 150+ delegates join the webinar with link.

Hon. Kishor Hambarde, President of Ashti Taluka Shikshan Mandal Ashti Inaugurated the webinar. In his introductory speech, he underlined the need of the topic and talked about the massive attraction of material science in research field. Hon. Dr.S.R. Nimbore was the chairperson of the introductory session.

Session I started at 11:00 AM Dr. N.N. Waghule Head, Department of Physics Bhagwan Mahavidyalaya was the resource person and Dr. Y. B. Rasal Department of Physics Gandhi College Kada was the chairperson. Dr. N.N. Waghule talked about Recent Trends in Advanced Material Characterization

Session II started at 11:45 AM Dr. Y. B. Rasal was the resource person. He talked about the material characterization techniques, electron microscopy, X-ray photoelectron spectroscopy, X-ray diffraction and electron microscopy. Smt. Dr. P. P. Pawar was the chairperson of this session.

Valedictory session started at 12:30 noon. Hon. Atulkumar Meher Secretary, Ashti Taluka Shikshan Prasarak Manadal Ashti was the chief speaker. He expressed his happiness for the nice online organization of the webinar on corona background. Principal Dr. S.R. Nimbore was the chairperson. Prof. R.H. Karande Department of Physics expressed the vote of thanks.

More than 150+ delegates participants actively in the webinar. In question, answer session some delegates raised question through chat box which were answered by the concerned resource person.
