Value-Added Course- Mahatma Phule's Educational Thoughts
Report 2023-2024

The Sociology department carries out various activities every year. It will have to include the Add-on Course. The main objective of this course is to impart the knowledge of the subject along with the regular subject knowledge to the students of the department. This year we started this course from dated 07/08/2023. Its detailed report is as follows.

This course is only for B.A.S.Y student of Arts. In this course we include mainly third year students in the department. For this, the College Development Committee and the IQAC department have fixed the admission capacity of Twenty four students. We have prepared this course for a total of 34 hours from 07th of August 2023 to 30th of August 2023. A total of Twenty five students had participated in this course this year. In it we mainly teach Mahatma Phule's Educational Thoughts.

We took a 20 mark examination of all these students on 31th of August 2023 and based on that we tested the basic knowledge of the students and through this course we proved to the students how importance Mahatma Phule's Educational Thoughts. All the Twenty five students completed this course with good marks.

In this way we successfully implemented this course in the year 2023-24. For this, course coordinator of the Sociology department, Dr. D.P. Mundhe worked hard. In order to make the course successful.

In this way we try to impart knowledge in addition to the regular curriculum so that the students develop a love of Sociology. Through this course, students have a new enthusiasm and a different satisfaction of learning something new. This course is very important from a point of view while studying Sociology at present. In this way the course was completed.

For your information, we are presenting the report of Add-on Course Mahatma Phule's Educational Thoughts .

Thank you.

Add On Course/ Certificate Course in Archeology
2023-24

The History department carries out various activities every year. It will have to include the Certificate/Add on Course. The main objective of this course is to impart the knowledge of the subject along with the regular subject knowledge to the students of the department. This year we started this course from dated 01/08/2023. Its detailed report is as follows.

This course is open to any student of Arts. In this course we include mainly Third year students in the department. For this, the College Development Committee and the IQAC department have fixed the admission capacity of thirty students. We have prepared this course for a total of 30 hours from 01st of August to 17th of August. A total of thirty students had participated in this course this year. In it we mainly teach what is Indian history ?and Research on Social Science, Archeology and Present era, Career opportunity etc.

We took a 20 mark examination of all these students on 17th of August 2023 and based on that we tested the basic knowledge of the students and through this course we proved to the students how important History is as the main subject. All the thirty students completed this course with good marks. Through this course, we teach students the importance of Archeology and its overall contribution to History, what is currently happening in History writing, and other scientific research methods? This is the main purpose of this course.

In this way we successfully implemented this course in the year 2023-24. For this, the course coordinator of the History department, Dr. R.S. Satbhai worked hard. In order to make the course successful, Dr. S.M. Wandhare helps & time to time provided guidance and interaction with the new students.

In this way we try to impart knowledge in addition to the regular curriculum so that the students develop a love of History. Through this course, students have a new enthusiasm and a different satisfaction of learning something new. This course is very important from a business point of view while studying History at present. In this way the course was completed.

For your information, we are presenting the report of Add on Course/certificate Course in Archeology. Thank you.

Yours Faithfully,

Dr. R.S. Satbhai

**Add On Course/Certificate Course in Constitution of India Report
2023-24**

The Political Science department carries out various activities every year. It will have to include the Certificate/Add on Course. The main objective of this course is to impart the knowledge of the subject along with the regular subject knowledge to the students of the department. This year we started this course from dated 031/09/2023. Its detailed report is as follows.

This course is open to any student of Arts. In this course we include mainly Third year students in the department. For this, the College Development Committee and the IQAC department have fixed the admission capacity of thirty students. We have prepared this course for a total of 30 hours from 01th of September to 05th of December. A total of thirty students had participated in this course this year. In it we mainly teach What is Indian Constitution? Human Rights and Research on Social Science, Indian Constitution and Present era, Career opportunity etc.

We took a 20 mark examination of all these students on 5th of December 2023 and based on that we tested the basic knowledge of the students and through this course we proved to the students how important Political Science is as the main subject. All the thirty students completed this course with good marks. Through this course, we teach students the importance of Indian Constitution and its overall contribution to Political Science, what is currently happening in Political Science writing, and other scientific research methods? This is the main purpose of this course.

In this way we successfully implemented this course in the year 2023-24. For this, the course coordinator of the Political Science department, Dr. R.E. Bharudkar worked hard. In order to make the course successful, Dr. P.G. Hambarde helps & time to time provided guidance and interaction with the new students.

In this way we try to impart knowledge in addition to the regular curriculum so that the students develop a love of Political Science. Through this course, students have a new enthusiasm and a different satisfaction of learning something new. This course is very important from a business point of view while studying Political Science at present. In this way the course was completed.

For your information, we are presenting the report of Add on Course/certificate Course in Constitution of India. Thank you.
