Above Table show that the curriculum feedback with the line of teachers explanation

Teachers Strongly agree with no.01, 05, 08 and 09 are not with no. 06, 10,11. Both teachers are satisfied with course content and curriculum, helpful for both Placements and Higher Education. Instructors believe that research skills, cultural harmony, and environmental awareness are not given enough emphasis in the curriculum.

**Recommendation:**

- 1) Subject teacher should communicate to university through board of studies to include Syllabus should be decided by the faculty concerned rather than directly taking from AICTE model scheme.
- 2) Subject teacher should communicate to university through board of studies to include To learn to apply mathematics to real life situations and help in problem solving.
- 3) There should be activities that should improve students confidence like students should improve their research ability.
- 4) Introduce new technology based subjects that are required by the industries with more and more practical trainings. Subjects like big data, cloud computing, Machine learning or Languages such as Python, Swift, JavaScript, Ruby etc should be included
- 5) Subject teacher should communicate to university through board of studies to include environmental awareness and cultural harmony contents in the curriculum.
- 6) Subject teacher should communicate to university the feedback of students regarding clarity of objectives of curriculum through board of studies.
- 7) Teacher proposed to prepare for Artificial Intelligence (AI).
