Above Table show that the curriculum feedback with the line of students explanation

Students Strongly agree with no.13,02,05,03 and 08 are not with no. 07,12,11 Hence students are happy about completion of syllabus in time. They also think thirst and demands of higher education are met with curriculum. But students seen aren't happy with the idea that the curriculum maintains environmental awareness and cultural harmony. Students also think that the curriculum doesn't give more weightage to practical work and research.

Recommendation:

- 1) Subject teacher should communicate to university through board of studies to include skill development and employability contents in the curriculum.
- 2) Subject teacher should communicate to university through board of studies to include social awareness, moral values and ethics contents in the curriculum.
- 3) Subject teacher should communicate to university through board of studies to include overall personality development contents in the curriculum.
- 4) Subject teacher should forward the feedback of students regarding demands of higher education to university through board of studies.
- 5) Subject teacher should communicate to university through board of studies to include environmental awareness and cultural harmony contents in the curriculum.

- 6) Subject teacher should communicate to university the feedback of students regarding clarity of objectives of curriculum through board of studies.
- 7) Subject teacher should communicate to university through board of studies to include relevance with present social scenario contents in the curriculum.
- 8) Subject teacher should communicate to university through board of studies to include research ability contents in the curriculum
