Recommendations for Quality Enhancement of the Institution

Sr. No	Recommendations	Achievement
1	ICT based interactive teaching be made more effective.	Proper IT infrastructure like 7 class rooms and 1 seminar hall with LCD projectors and a smart board for ICT enabled teaching. Computer lab is updated with computers. Language lab is updated with latest version. All departments are provided with computers and latest software. Teachers engage course wise students innovatively. On the background of covid-19 pandemic teachers engaged students in online mode, Google classroom, YouTube whatsapp groups, zoom meeting Google meet; whichever platform found suitable was used for online teaching and communication.
2	Linkages between college and Industries be initiated	Institute and library have functional MoUs. With concerned agencies. Collaboration with private firms under NSQF has helped students get employment and self-employment. As on today we have 31 functional MoUs and collaborations.
3	Teachers be directed to submit proposals for minor and major research projects to various agencies for Funding and publications.	8 minor research projects got sanction from parent university, out of which 3 are completed, others in progress. Teachers are promoted to forward research proposals to other funding agencies as well.

4	Efforts should be made to organize more national/ International Conferences in the subjects of potential.	Conducted 27 national and 3 international seminars, conferences, symposia since 2016-17.
5	More Add on courses, certificate/diploma courses need be started.	18 add on courses, 5 certificate and 5 diploma courses started since 2016-17 with gradual increase.
6	Innovative UG/PG programmes be initiated	B. Voc (Beauty & wellness) UG level Programme started in the academic year 2019-2020
7	Resource mobilization for research and faculty development opportunities may be explored	Staff is promoted to use funds to attend faculty development programmes, to get membership for professional bodies and to organize seminars, conferences and workshops. Infrastructure facility and equipment are provided for research work. Staff was encouraged to use resources in the departments and libraries of other colleges under institutional MoUs. Funds are provided to staff for attending research related activities on demand.
8	Alumni Association must be registered to make an official body.	Alumni Association as an official body registered with Charity Commissioner, Beed as Adv. B. D. Hambarde Mahavidyalaya Ashti, Maji Vidyarthi Sanstha Ashti on 18 th January 2021 with registration number, Beed/0000024/2021
9	PG course is in science stream be started.	PG programme M.Sc. in Chemistry started from 2018-2019, M. Sc. in Mathematics and Computer Science started from 2020-2021.

10	Action is to be taken to fill up the sanctioned posts and teachers and some more posts to reduce the student teachers ratio and take up research activities.	A regular communication and follow up is made to government for sanctioned vacant posts. As per government policy only 80% vacant posts are filled as permanent staff. Institute recruits staff on temporary basis as per requirements.
