Above Table show that the curriculum feedback with the line of Alumni explanation

Alumni Strongly agree with no.04, 06, and 07 are not with no. 01, 05, 08. The majority of alumni have agreed that course content and curriculum, helpful for Higher Education. But they o think that the current curriculum do not promotes employability and skill development and entrepreneurship also It is not pertinent to the current social environment.

Principal
Adv.B.D.Hambarde Mahavidyalaya
Ashti, Tal. Ashti, Dist. Beed

Recommendation:

1) In addition to academic knowledge, curriculum should be to instill professional and behavioral principles in students, preparing them for the outside world and making them presentable.
2) Subject teacher should communicate to university through board of studies to include To learn to apply mathematics to real life situations and help in problem solving.
3) There should be activities that should improve students confidence like students should improve their research ability.
4) Introduce new technology based subjects that are required by the industries with more and more practical trainings. Subjects like big data, cloud computing, Machine learning or Languages such as Python, Swift, JavaScript, Ruby etc should be included
5) The university's curriculum is carefully designed to meet the needs of society and industry.
6) Subject teacher should communicate to university the feedback of students regarding clarity of objectives of curriculum through board of studies.
